

Foul Weather Flying - A Military Model to Risk Management with the US Coast Guard

Event Details

Garrett Hendrickson, U.S. Coast Guard Command Safety Officer, H-60 Flight Examiner, and FAA Safety Representative will review local area weather hazards as well as risk management models to help inform effective decision making. Stories from U.S. Coast Guard pilots will be shared, highlighting the importance of sound risk management when operating in adverse weather.

The meeting room is located in The Hangar Restaurant, which is located on the second floor of the terminal building at Albert Whitted Airport.
