

## **SAFETY TOPIC for Apr 2025 Stabilized Approaches**

**The Carrabelle Flying Club Safety Topic of the Month for April 2025 is dedicated to Loss of Control Accidents, and recommendations from the General Aviation Joint Safety Committee work group that studies loss of control, we'll define and discuss stabilized approaches and go-arounds and we'll look at some tips and tricks that will help you to avoid loss of control in any aircraft.**

The presentation/discussion will be in at X13 in the Carrabelle Flying Club (CFC) hangar, 4th on the left of Hangar Row just past the airport office. Please contact Bruce Graham (info below) for any assistance for access. Tie-downs and 100LL fuel available.
