

SAFETY TOPIC for May 2025

The Carrabelle Flying Club Safety Topic of the Month for May 2025 will address the notion of "Don't take an Airplane without seeing the Approval for Return to Service!" created by a certificated aircraft maintenance professional, that attests to the airworthiness of aircraft that have undergone maintenance.

The presentation/discussion will be in at X13 in the Carrabelle Flying Club (CFC) hangar, 4th on the left of Hangar Row just past the airport office. Please contact Bruce Graham (info below) for any assistance for access. Tie-downs and 100LL fuel available.
