

FAASTeam presents:

San Juan Regional Helicopter Safety Stand-Down

Attention all helicopter Pilots, Mechanics, Owners and Managers! Join us on Saturday September 21, 2019 for the very latest information on the safety issues facing the rotorcraft industry presented by some of the top industry experts in their field. Starting at 8:30 am, a panel of experts from Helicopter Safety Alliance, FAA Safety Team, and the San Juan FSDO, will discuss local issues affecting helicopter pilots, accident trends, risk assessment, safety initiatives and many more topics relevant to all operators.

This is going to be an extraordinary gathering of the rotorcraft community in one place. Don't miss this unique opportunity to learn, share with your peers, ask questions and have your voice heard. What you learn may save your life!

In the afternoon, there will be a break-out session for mechanics. Bill Hopper will talk about the "Dirty Dozen" human factors that affect maintenance technicians.

Breakfast and Lunch will be provided!

Directions: Proceed to Fernando Luis Ribas Dominicci (Isla Grande) Airport toward the main terminal. After passing the terminal make a right turn at the airport control tower intersection with Crowley Ship Terminal until arriving at destination on right hand side of the road.
