

Representative Training FY26-2 - Hybrid Event

The objective of this meeting with FAASTeam Representatives (REPs) is to promote interaction, communication, and an exchange of ideas. Through this meeting we will also accomplish the required annual REP training. These meetings provide the opportunity for face-to-face interactions with other REPs to discuss the work they do and the challenges they face in the field. It is also a good forum to promote the support available from the FSDO and the National FAASTeam.

During this meeting we will cover: (1) FAASafety.gov access and administration for REPs, (2) the importance of completing REP activity reports, (3) WINGS and AMT Awards, EZWINGS, (4) Master Pilot and Master Mechanic Award Promotion, (5) the San Juan FSDO accident and incident data review, and many other relevant topics.
