

Flying to Your National Parks (Mountain Flying part 1)

Covers basic weather, pilot, and aircraft performance characteristics which must be addressed in pre-flight planning for successful mountain operations; built around visiting the western national parks - 2 hours

Directions: Federal Pavilion is along the flight line adjacent to the homebuilts and 1/2 way between Warbirds and Conoco/Phillips Square

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
