

New Mexico Pilots Association Mountain Flying Clinic

One day mountain flying clinic focusing on the techniques and strategies to successfully fly in the mountainous areas of the Western US. Pre-registration required; There is a fee for this event. Contact Cliff Chetwin for cost information and registration. This is the ground portion only. Optional flying sessions with mountain experienced CFIs on Saturday and Sunday are available at additional cost.

Registration via this web site is for WINGS credit ONLY; separate NMPA registration required for the clinic itself.

Directions: Follow signs from hotel lobby

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
