

## CRASHED...Now What happens?

Most pilots have only a vague understanding of what happens after a crash in NM. Bob Rodgers, NM State Search & Rescue Officer will explain the state SAR plan, the role of the NM State Police, and Civil Air Patrol should an aviation related SAR event occur and what pilots and passengers can do to help ensure SAR efforts will be successful. Weekly AASF breakfast starts at 0900 and precedes seminar.

**Directions:** Restaurant is at the base of the tower
