99s Flying Companion Seminar

This fun, informative session is designed with the non-pilot in mind. Participants learn to be an effective cockpit crew member and deal with fears of flying. Flying companions become more comfortable in light aircraft so flying is enjoyable! This one day ground-school-only course covers:

- How the airplane flies
- How to read an aeronautical chart
- Who to talk to on the radio
- What the instruments tell you
- What to do in an emergency
- Safety tips, weather, and much more

... so participants can enjoy flying, and be a better Flying Companion!

Advance Registration required. Space limited. 8:30am - 4:30pm Submit registration form with check. \$50 includes lunch and all materials. EARLY BIRD REGISTRATION: \$40 if received by March 9, 2015. Download attached event flyer and registration form, also available at www.rgn99s.org

Directions: Directions provided upon registration.
