

## Recreational & Back Country Flying in New Mexico

The New Mexico Pilots Association and NMDOT Aviation Division will share progress on establishing a coalition of state and federal agencies, organizations, and landowners to plan, preserve, develop, operate, and maintain a network of airstrips in New Mexico. Resources available, safety considerations, and positive impact on NM general aviation will be discussed. The NM Airstrip Network is modeled after Idaho's successful effort.

**Directions:** Bernalillo County Sheriff's Department Hangar on field, just north of LOEFI Exhibit Hall near the self-serve fuel island. For fly-in parking at the Land of Enchantment Fly In, see [www.eaa179.org](http://www.eaa179.org)

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
