

## Mountain Flying Clinic

NMPA's annual ground school (0900-1800) covering the information needed to plan and safely fly in the beautiful and unique mountainous environment; in conjunction with the optional flight on 10/3 all requirements for a flight review will have been met. Course is concurrent with International Balloon Fiesta in Albuquerque. Course details, registration process, and cost information can be found at [www.NMpilots.org](http://www.NMpilots.org)

**Directions:** Facility is on the north side of KSAF; enter via Paseo Real to Huey Road; training room is on the right as you enter the compound.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
