

Malibu/Mirage Owner's and Pilot's Association Convention: Sleep Apnea? I can't have that.

Sleep apnea has significant safety implications due to cognitive impairment secondary to the lack of restorative sleep and is disqualifying for airman medical certification. Fellow MMOPA pilot, Dr. Chuck Ivester, specializes in Sleep Medicine and will review the subject for those who are or think they could be affected by the condition.

Directions: Meeting room will be posted on the resort schedule.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
