

FAASTeam presents:

# Aviation Safety Starts In The Hangar

The seminar will start promptly at 0800. After a brief introduction and acknowledgement of seminar host, subject materials will include PowerPoint and/or discussion of Communications, Inspection Best Practices, Airworthiness Directives/ Service Bulletins, The Effects Of Doctoring Maintenance and Documentation, Human Factors, Professionalism, and the advantages of registering with FAASafety.gov. Each segment will take approximately 50 minutes of dialog and a 10 minute break. The seminar will end at approximately 1700.

**Directions:** View Map - Hover over War Eagles Air Museum icon an click to view building  
From I-10 take exit 8. Turn West on Artcraft Rd. Turn right on Airport Rd. Continue straight to the airport.

Or:

From I-10, take exit 11 (Mesa St. exit). Head West on Mesa (away from the mountains), crossing Doniphan St. and continuing west on Country Club Rd. Turn right on NM 273 (McNutt Rd.), go 1.7 miles and turn left on Airport Rd. (at Santa Teresa High School). Continue until you arrive at the airport.

**A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
