

FAASTeam presents:

# Backcountry Flying in New Mexico

The New Mexico Pilots Association promotes back country flying and strives to increase recreational and backcountry flying opportunities in New Mexico. An update on available airstrips and fly-ins will be covered, including safety aspects and the various safety resources available for accessing them. Recent Arizona Pilots Association successes, in partnership with the Recreational Aviation Foundation (RAF) will be highlighted. Information will also be available on formation of the New Mexico Airstrip Network (NMAN), a partnership with the USFS, BLM, NMDOT Aviation Division, Council of Outfitters and Guides, and other public agencies and organizations.

**Directions:** Albuquerque Police Department hangar on field, West side of the north ramp. For fly-in arrivals and parking at the Land of Enchantment Fly In, see <http://eaa179.org/land-of-enchancement-fly-in/>

#### **A message from the National FAASafety Team Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
