

Backcountry Flying in New Mexico

The New Mexico Pilots Association (NMPA) promotes back country flying and strives to increase recreational and backcountry flying opportunities in New Mexico. This update covers available safety resources for accessing these recreational airstrips.

Highlights include progress resulting from partnering with the Recreational Aviation Foundation (RAF) and the New Mexico Airstrip Network (NMAN), including the USFS, BLM, NMDOT Aviation Division, NM Council of Outfitters and Guides, NM Economic Development, and other state agencies and aviation organizations.

Directions: Go to the AeroWestern hangar, which is the large brown hangar on west side of the north ramp. For fly-in arrivals and parking at the Land of Enchantment Fly In, see <http://eaa179.org/land-of-enchancement-fly-in/>

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
