

FAASTeam presents:

IA Seminar - Safety Starts In The Hangar

The seminar will start promptly at 0800. The safety of any flight begins with a properly maintained aircraft. Many factors figure into providing a properly maintained aircraft. During this seminar we will present some subtle and some not so subtle, but equally important factors and solicit your inputs to create dialog on the issues that you face every day.

After a brief introduction and acknowledgement of seminar host, subject materials will include PowerPoint and/or discussion of; Professionalism, ADS-B Installs and Interfaces, Compliance and Failure to Follow Procedures, Enforcement and Compliance Philosophy, Accident Investigation, The Effects of Medication and Medical Conditions, Digital Transformation of Maintenance Discussion, FAASTeam Mission and Registering with FAASafety.gov. Each segment will take approximately 50 minutes of dialog and a 10 minute break.

The seminar will end at approximately 1700.
