

Fly Quietly - Flying to Your National Parks

This presentation uses a trip through America's National Parks to offer GA pilots a number of simple, safe, and yet highly effective techniques to mitigate their noise footprints in compliance with AC 91-36D and the growing demands of airport operators and non-aviation citizens.

Directions: Federal Pavilion is along the flight line adjacent to the homebuilts and 1/2 way between Warbirds and Boeing Plaza

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
