

Albuquerque FAA Safety Team presents:

Flying the New Mexico Backcountry!

This presentation addresses typical safety concerns, and offers information on available resources for safely accessing back country recreational airstrips. The New Mexico Pilots Association (NMPA) promotes back country flying and strives to increase recreational and backcountry flying opportunities in New Mexico.

Also included are highlights of work resulting from the New Mexico Airstrip Network (NMAN), a partnership including the Recreational Aviation Foundation (RAF), USFS, BLM, NMDOT Aviation Division, NM Council of Outfitters and Guides, NM Economic Development, NM Tourism, and other state agencies and aviation organizations.

Directions: Seminar is in the AeroWestern hangar, the large brown hangar on west side of the north ramp. For fly-in arrivals and parking at the Land of Enchantment Fly In, see www.loefi.org

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
