

IMC Club Meeting - Mastering the Art of Instrument Navigation

EAA's IMC Club, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The club promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Instrument rated pilots or students welcome! Membership in EAA and a local chapter is encouraged but not required. 9:30 - 11:00 am.

Directions: Bode Aviation Conference Room, 2nd Floor of main FBO building, south of main parking lot. Flying in, tie downs are available on the North ramp.
