

AAAA Private Pilot Ground School and Refresher - No E-mail Distribution - Credit Only

This is a complete private pilot ground school course for Lighter-Than-Air Balloon (with airborne heater) student pilots and will serve as a full refresher for already certified pilots who are adding the LTA Balloon to their certificates. This 20-hour course presented on Friday evening, all day Saturday and all day Sunday will cover all for the subjects and information necessary to pass the FAA Knowledge Test.

Directions: Meet in the Conference Room on the Northwest Corner of the Building.

A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
