

# ABQ Sunport Runway Safety Action Team Meeting

This meeting will review runway incursions, runway excursions, pilot deviations and AOA surface events from the last year, and offer suggestions as to how we can eliminate similar events in the upcoming year. Current and future construction and the effect those construction activities will have on airport operations will be discussed. ATC best practices and distractions along with airport Hot Spots will also be reviewed.

**Directions:** The Press Room is on the Ticketing Level of the Airline Terminal Building. Walk to the left of the escalators and enter the Press Room through the first set of double doors on your left.
