

Double Eagle II Runway Safety Action Team Annual Meeting

The Air Traffic Control Tower personnel will outline the RSAT process, will discuss runway incursions, excursions and other airport issues from last year, and will discuss their mitigation strategies for the upcoming year. Airport construction, including the modification to the layout of the taxiways will be discussed.

Directions: The Bode Aviation building is on the South side of the parking lot. Use caution crossing the Taxiway that runs between the parking lot and Bode's building.
