

NOAA SAWS 9 - Improved Weather Forecasts

Aviation Meteorologists will discuss the recent improvements in the NWS aviation weather services and how to access the latest and greatest flight-planning products through its aviationweather.gov website. They will discuss how to interpret and use the NWS graphical forecasts, as well as the probabilistic confidence messaging in those forecasts.

Directions: Registration with the National Weather Service is required. Register at:

<https://www.weather.gov/psr/SAWS9>

Enter through the Lobby Entrance, Then Follow the Signs to the Southwest Aviation Weather Safety #9 (SAWS 9) Workshop.

Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.
