

Albuquerque FAA Safety Team presents:

IMC Club Meeting - Mastering the Art of Instrument Navigation (Hybrid Venue Offering)

EAA's IMC Club, provides organized "hangar flying" focused on building instrument flying knowledge and skills. The club promotes a safety culture through continued education and believes that we develop safety and proficiency through education and real life experience. Monthly meetings offer an opportunity to share in-flight experiences and valuable safety tips. Instrument rated pilots or students welcome! Membership in EAA and Albuquerque Chapter 179 is encouraged but is not required. Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines.

Directions: 9:30 - 11:00 am. Join us for an in-person Seminar at Albuquerque Double Eagle II Airport (KAEG) OR participate remotely.

In Person: Bode Aviation Conference Room, 2nd Floor of main FBO building, south of main parking lot. Flying in, tie downs are available on the North ramp.

Remote via Zoom, register in advance here:
