

FAA Safety Team ABQ FSDO presents:

Bob Martin Helicopter Safety Standown

This safety seminar is designed to assist you in creating a winning safety culture within your organization. This 8-hour Seminar will cover several topics on the subject of safety in rotorcraft operations.

During this 8-hour seminar, you will hear information on:

"How to Crash a Helicopter"

"Officer Down-The Worst Call You Ever Get"

"Risk and Performance in Helicopter Mountain Rescue"

"Aviation Safety Culture"

"Case Study-Drone Near Midair with Rotorcraft"

"Helicopter Juggernaut Defense Products Brief"

Directions: The event will be located in the Balloon Fiesta Park. Take I-25 to Alameda Blvd. South, then north on Balloon Fiesta Parkway.

The Sid Cutter Pilot's Pavilion is near the Main Entrance to the park at its Southeast Corner. Car and truck parking is located South and East of the Pavilion.

Prior to attending a safety seminar, please review and abide by current CDC, State and Local health guidelines.
