

## NMPA Short Takeoff and Landing Clinic

Learn/relearn short field techniques at Carrizozo, NM. The clinic begins with check-in, including breakfast burritos and coffee, at 8 AM, followed by a ground school and flight briefing. Attendees can then practice their technique in the pattern. A ground team will estimate takeoff and landing distances to provide feedback to pilots. The clinic should be completed by noontime. Go to <http://www.NMpilots.org> for more information and registration.

The building is on your right at the end of the airport entrance road
