

## Owner and Operator Maintenance

Robert Larranaga, A&P, CFII, ATP presents an in-person seminar starting with an overview of aircraft maintenance compliance requirements, followed by a panel discussion with local maintenance experts representing Certified, Experimental and Light Sport aircraft. Panelists include Steve Johnson (A&P, IA) and Mike Rehberg (A&P, IA). Bring your questions!

Register to earn FAA WINGS credit or learn how at the session. Coffee and refreshments provided.

**Safe Skies New Mexico** is a 2026 aviation seminar series designed to bring practical, real-world safety education directly to pilots, aircraft owners, maintainers, airport sponsors, and aviation enthusiasts across the state. Each session focuses on topics that general aviation pilots regularly encounter in New Mexico's operating environment. See attached flyer for this and upcoming seminars.
