

MOSAIC Program for Pilots and Maintainers

0830 Coffee & Refreshments; 0930 Program

MOSAIC is not just for Light Sport. Join Master Instructor Dave McVinnie and Light Sport repairman/inspector Larry Shapnek as we review the new opportunities for all pilots, repairmen and inspectors. Which aircraft can a private pilot and above fly with just a driver's license medical? Add gyrocopter privileges to your private certificate without a DPE's help. What can a CFI/Sport CFI do for you under the new rule? You can learn how a 2-Day LSRI Class applies to Legal, Safety, Time & Money aspects of EAB Ownership.

Register to earn FAA WINGS credit or learn how at the session.

Safe Skies New Mexico is a 2026 aviation seminar series designed to bring practical, real-world safety education directly to pilots, aircraft owners, maintainers, airport sponsors, and aviation enthusiasts across the state. Each session focuses on topics that general aviation pilots regularly encounter in New Mexico's operating environment.

Location: San Juan Community College - Large Conference Room (off airport)

FLY IN instructions: Airport staff providing Ground Transportation from 0800 - 0915 and return following seminar. Park aircraft on GA East Ramp adjacent to Hangar 10 and walk to Atlantic Aviation (to avoid FBO ramp congestion and fees). If needed, call or text KFMN Airport Mgr Jeremy Patton at 505-320-0211 for shuttle ride. Prior notice appreciated but not required.

A message from the National FAASTeam Manager
