

SAFE SKIES NM Fly New Mexico And The Wilds

John Lorenz will present the fun of flying out of New Mexico's high-altitude back country airstrips and paved airports, with a particular focus on safety aspects including density altitude: how to determine it, what systems are affected, and how it degrades performance in the different phases of flight (takeoff, cruise, landing, etc). An active CFI, John serves as Safety & Education Chair of the New Mexico Pilots Association (NMPA).

5:30 Pizza Social; 6:15 - 7:30pm Program, hosted by NMPA and NMDOT Aviation Division. Visit their booth on the NCAR ramp.

Event Details

Fri, Sep 18, 2026 at 17:30 MDT

**ENMU Campus at Roswell Airport
(KROW)**

23 West Mathis St
ITC Bldg; Commons
Roswell, NM

Safe Skies New Mexico is a 2026 aviation seminar series designed to bring practical, real-world safety education directly to pilots, aircraft owners, maintainers, airport sponsors, and aviation enthusiasts across the state. Each session focuses on topics that general aviation pilots regularly encounter in New Mexico's operating environment. See attached flyer for these quarterly seminars. Register to earn FAA WINGS credit or learn how at the session.

Location: ENMU's ITC Bldg; Commons Room off main entrance. 1 block from National Championship Air Races MAIN ENTRANCE at Roswell (KROW), just east of Orange Parking Lot (see air race parking map at www.airrace.org)
Flying in, park on AvFlight FBO ramp. Check TFR times. Ground Transportation available.
Driving in, park in ITC Parking Lot or take short walk from RV or Air Race parking.

A message from the National FAASTeam Manager
