This presentation will be a live internet event where registration, navigation, and use of the new WINGS Pilot Proficiency Program and SPANS system will be explained and demonstrated. Pilots, CFI's, FAAS Team Representatives, and others will benefit from a complete working knowledge of this new system. Actual WINGS and SPANS on-line registration assistance will be provided to anyone eligible.

Directions: Southeast ramp at Hammond Regional Airport, adjacent to Top Gun Aviation Hangar. From Route 190, take Industrial Park Road North and after passing driveway to Top Gun FBO, turn left onto Cessna Lane. Immediately turn left into Hummingbird parking lot. Walk through ramp gate and turn left into the hangar.
