

FAASTeam presents:

From the Tower: Mr. Pilot, please give us call on the landline!

What is a Pilot Deviation? What happens if you are asked to call the tower or the local FSDO gives you a call concerning a pilot deviation? Come learn what to do and what not to do.

Also a fun audience electronic interactive event to challenge and refresh our pilot minds!

Directions: Park in the airport parking lot. Parking will be validated free at seminar. Enter the Terminal Building. Proceed up stairs to second floor. Conference room entrance will be to the left.
