

REMINDER-Safety Trends in General Aviation, Risk Management

How many mistakes can we make before our luck runs out? In general aviation we get conditioned when we get away with errors-not smart nor survivable.

Directions: The Airport is 2 miles south of the town of Gonzales, LA.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
