

## ANOTHER REMINDER-VFR to IMC, Loss of Control

Learn to avoid being a statistic. Many of our fellow pilots and their passengers have been victims of VFR to IMC. Losing Control of the aircraft has and continues to claim many general aviation lives.

**Directions:** DTN Airport EAA Hangar 72

#### **A message from the National FAASTeam Manager**

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
