

LA FSDO presents:

# Civil Air Patrol (CAP) Flight Clinic - Rodeo

Louisiana Wing will conduct a LAWG Standardization / Evaluation Flight Clinic & Rodeo Training Session. This Stan/Eval Flight Clinic & Rodeo is planned to promote aviation professionalism, to improve air crew navigation skills and flying proficiency, and to enhance CAP flying and ground safety. While the primary agenda of the Flight Clinic is geared to pilots and aircrews, all members of the LAWG are encouraged to attend. Staffers, senior members, and cadets are also welcome and may find this event to have an interesting agenda for them as well. Formal and informal navigation / map reading classroom training will be provided.

**Directions:** ?Upon landing at mission base the safety team will conduct a close examination of the CAPF71 with the Safety Officer at the aircraft. As members check in full identification procedures will be followed, including: CAP membership card, current 101, CAP medical card, and uniform inspection. Members should review AFM 39-10 for recent minor changes to the uniform code. Staff sign-in is at 0730L with general membership sign-in from 0800-0830L Saturday morning. The General Briefing will commence sharply at 0900L.
