

Chapter Chat Pilot Proficiency Program for EAA Chapters

Join us for an overview of the new and exciting EAA chapter program: IMC Club. Since its establishment in 2010, IMC Club has facilitated pilots worldwide to engage face to face and share their experience and build individual proficiency by discussing real-world flight scenarios. Recently, EAA and IMC Club joined forces to enable this valuable program to be delivered free of charge to EAA members through the EAA chapter network. Join IMC Club founder and EAA manager of flight proficiency Radek Wyrzykowski as he discusses the IMC Club program and how it will benefit you and your EAA chapter.
