

Loss of Aircraft Control

A PowerPoint presentation on factors leading to loss of control will be presented. We will also review case histories from aircraft accidents that resulted from a loss of control. Refreshments will be served after presentation.

Directions: Enter airport from either off of Leon C. Simon or Downman Rd. Proceed down Stars and Stripes Blvd. to Terminal Building. Seminar will be in conference room located on second floor.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
