

## Understanding Aircraft Performance Charts

The participants will bring performance charts for aircraft that they are flying. Charts that will be reviewed include: Weight and Balance, Takeoff and Landing, Determining True Airspeed, Total Fuel Requirements, Range vs Endurance Charts  
NOTE: This event is only open to members of the New Orleans Chapter of the International Assn. of Women Pilots (99's).

**Directions:** Directions are as follows:  
Interstate 59 to Picayune exit number 6. Turn onto Highway 43N and continue for 23 miles. Turn north onto highway 26 and continue for 14 miles. Make right turn onto South Valley Road and continue to 204 South Valley Road.

### A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
