

# 44th ANNUAL GULF SOUTH AVIATION MAINTENANCE SEMINAR

About 300 of your fellow A & Ps and IAs are expected for this extravaganza, which will feature two days of lively technical sessions for both fixed-wing and rotor-wing general aviation mechanics. There will be displays of new products and services from all over the country. The Federal Aviation Administration (FAA) will be on hand to address IA certification and renewal requirement & procedures. This course is approved to meet 14 CFR 65.93 (a)(4) for IA renewal.

**Directions:** Direction signs will be posted throughout the hotel.

## A message from the National FAASTeam Manager
