

## DPE Talk - How to Teach Emergencies

This event promotes a free exchange of ideas and techniques between local DPE(s) and CFIs. Discussions include various risk mitigations with respect to local accidents/incidents as well as statistical trend analysis by local DPE(s). The focus of this presentation will be about teaching emergencies and ensuring airman have the best techniques and training to effect a positive outcome when confronted with an emergency situation. This event is open to all pilots as well.

Wings credit is given for the following topics:

General Emergency Training - 1 hour

Risk Management and Mitigation - 1 hour

Location is in Building A, second floor, Room 226 of NSU CENLA Campus; see map link.
