

## Flying on the Edge-Knowing the Limits of Your Aircraft

The purpose of this meeting is to outline areas where loss of control of aircraft is possible. The discussion will give education on causes of aircraft upset and how to recover. It will also show via videos, examples of aircraft upset. Mr. Ryder will also include maneuvers for the pilot to practice to insure confidence if or when they encounter situations where control is lost in their aircraft. The presentation will be through discussion and video; there will also be time for questions during and after the presentation.

Wings credit will be offered for unusual attitude training, for 1 hour credit.

<p>I-10 East to Morrison Exit. Continue down Morrison Road to Downman Road. Make right turn. Continue to entrance to Lakefront Airport (Stars and Stripes Blvd.). The Terminal Building will be on the left. The Conference Room is on the second floor.&nbsp;&nbsp;&nbsp;</p>
