

DPE Talk - Teaching Emergencies

This is a closed event available only LA Tech University students and staff. For more information contact Laennec Ratard at (225) 410-0413.

This event promotes a free exchange of ideas and techniques between local DPE(s) and CFIs. Discussions include various risk mitigations with respect to local accidents/incidents as well as statistical trend analysis by local DPE(s). The focus of this presentation will be about teaching emergencies and ensuring airman have the best techniques and training to effect a positive outcome when confronted with an emergency situation. This event is open to all pilots as well.

Wings credit is given for the following topics:

General Emergency Training - 1 hour

Risk Management and Mitigation - 1 hour

Location is in Davidson Hall
