

They Did What?

The presentation will review human errors and just culture with respect to aviation accidents. This will include several real world incidents and accidents scenarios, what went wrong and how you can prevent this from happening to you.

From the main airport access road turn right to the Operations Center parking lot. The building is to the right of the terminal building, adjacent to the tower. Park and proceed through the double doors into the conference room.

A message from the National FAASTeam Manager
