

Go-No Go is Not a Binary decision

This is a closed event available only to Civil Air Patrol personnel and their invitees. For additional information contact Kelvin Contreary at (504) 881-1021.

Go/No-go decision making does not end at takeoff. Pilot must continuously evaluate all parameters of flight/pilot/weather/TFR/Notams/etc throughout the entire flight until shutdown.....and adjust plans accordingly.

CAP Hanger on airport east side
