

WINGS for CFIs

This seminar will cover the resources available to CFIs on the [faasafety.gov](https://www.faasafety.gov) website, introduce the FAA's WINGS program, and promote better and safer pilots in the general aviation community.

At the traffic circle on Airport Boulevard, take the first road on the right (North Airport Drive). Turn left toward the Freeman Jet Center then left again toward the Department of Public Safety building. Park in the lot to the right of the building.
