

Checkride Itis

This is a closed event available to All ATP personnel and their invitees. For more information contact Laennec Ratard at (225) 410-0413.

The presentation will focus on what checkride applicants can control, making good impressions and generally providing the failure codes to successful check rides (ACS review). This will help you work proactively with your DPE.

We will meet in the flight planning room in the flight school.
