

IMC Club 'Frozen Pipes!!!' and MotionAir Flight Training Open house

This Event is at MotionAir flight training at Mid-Way Regional Airport. After the discussion you will be able to fly the scenario in the Redbird Motion Simulator. We will also provide Food and Refreshments. IMC Club is "Controlled" Hangar Flying, The meeting is designed as an interactive discussion and analysis of real life events from the IMC Club archives or other activities relevant our area. You don't need to be a Instrument rated Pilot, all you need is an interest in IFR flight. Come pass on your experience.

Directions: I 35E North on Hwy 287 Five miles on right (Look for Gary Odem Drive and little airport signs) Hwy 67 South on Hwy 287 about 7 miles on left (Look for Gary Odem Drive and little airport signs)

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
