

Currency vs. Proficiency

Join us for a review of Currency vs. Proficiency. We'll review what it takes to become "VFR Current" as well as "IFR Current." Then we will discuss how to maintain proficiency in both IFR and VFR!

Directions: By air: American Flyers is located on the east side of the Addison airport on taxiway Tango.
By car: we are located one block north of the Keller Springs and Addison Road intersection. Approximately 1 mile west of The North Dallas Toll Road

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
