

FAASTeam presents:

## CFI/DPE Forum

In this forum, we will examine the airline approach to checklists and flight planning, and how those can translate to the GA environment. We will also discuss any topics that the attendees wish to address.  
Supper Provided!

**Directions:** The Banquet Room of Spring Creek Barbeque, 5 miles north of I-10 on Highway 6.

### A message from the National FAASTeam Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?  
Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
