

FAASTeam presents:

Operation Raincheck with Houston Center (ZHU)

HoustonCenter is providing a ground lesson followed by the opportunity to observe Controllers working live traffic and the chance for you to try being a Controller in a simulated environment. There will also be a Q&A session with ZHU personnel afterward.

!!! IMPORTANT !!! In order to participate you must -

1. Present a Sport pilot or higher pilot certificate..
2. Register for the event through this announcement only.
3. Do not register anyone as your guest, only register yourself.
4. All participants must be a United States citizen.
5. You must present a valid State or Federal Govt issued photo I.D.
6. No guests of registrants will be allowed into the facility.

Directions: The seminar is being held at the Houston Center facility located at George Bush Intercontinental Airport. The front entrance of the Houston Center facility is no longer being used. Please download the map below for directions to the "back entrance" using either Greens Road or the JFK Blvd access road.

A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?
