

## AMT Society's IA Seminar

The recurrent training seminar will cover subjects of interest to Maintenance personnel. The subjects will change hourly.

**Directions:** Go North on JFK Blvd. get off on service road, go to end of service road and make U-turn, then go South on West side service road. Turn right off of service road into parking lot nest to Glass building housing Continental Airlines simulators. Training Facility is building behind simulator building.

### A message from the National FAASafety Team Manager

Over 10,150 AMTs earned an AMT Award last year. Will you, this year?

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
